1. The accounting equation and double entry

Assets = Liabilities + Capital must always balance. Every transaction is recorded via double entry: a debit and an equal, corresponding credit.

Sample of the practice examination (Question One of Five)

Note on format. The full paper includes a complete practice examination laid out the way a real KASNEB CS paper is laid out — timed, five compulsory 20-mark questions — so you can rehearse the

exact exam format before sitting the real thing. This is an original practice paper, **not a reproduction of any actual KASNEB past paper.**

CS FOUNDATION LEVEL — PRINCIPLES OF ACCOUNTING AND TAXATION (PRACTICE PAPER)

TIME ALLOWED: 3 HOURS

*Instructions to candidates: Answer ALL FIVE questions. Each question carries 20 marks.
Show all workings clearly.*
